2017 Tours & Education Programs

15954 Woods Valley Road * Valley Center, CA 92082 * 760-749-3333* www.batesnutfarm.biz

Bates hopes to pass on a love and appreciation for farming to generations to come. Farming is essential to everyone's lives, but it is so often masked by our technical world. Visit Bates Nut Farm and be reminded of the simpler things in life.

Each year the Bates family welcomes thousands of visitors from all over the world. Today fourth and fifth generation members of the Bates Family are working on the farm, which was established in 1921.
