## Gift Giving Catalog

Dear Bates Friend,

**F**or those of you who have grown up with Bates Nut Farm products and have shared many memorable moments on our Bates Farm, and to those who may be hearing about us for the first time, we are a family business that has been working together for nearly 100 years. My great grandfather, Gilbert Bates purchased the farm in 1921 and planted walnuts. He started a walnut processing plant and raised 5 boys on the farm. Later my grandfather, Clifford Bates and his sons, Walter (my Dad) and Bob, sold the walnuts wholesale to bakeries from Los Angeles down to the border of Mexico as well as door to door. In 1963 Clifford opened the first store in a garage on the Bates farm. We value our Bates family of customers and take pride in the products we provide. Our motto has always been to “provide a quality product at a great price”. We roast all our nuts weekly and package the majority of our products on the farm to ensure freshness. Thanks to our repeat, dedicated customers, their referrals and memorable experiences and family traditions created at the farm we have survived all these years.

*Year round, and especially during the holidays, we work with businesses assisting them with their corporate giving. We can add personalized products and marketing materials to your gourmet gifts from Bates Nut Farm to help you to promote yourself or your business.*

When it comes to choosing the perfect gift for a dear friend, co-worker, client or family member, we know it is not always easy. We have heard so many happy stories over the years about having received birthday, military or college care packages, family Christmas boxes full of Bates Nut Farm’s amazing assortment of nuts, snack mixes, trail mixes, chocolates, truffles, fudge (over 20 homemade flavors made in our kitchen), sugar-free products, and a variety of jams or gourmet treats. One common thread, the excitement of opening the box and finding their favorite bags of Bates goodies! We want your gifts to be received with excitement and thankfulness. We have taken our best-selling products and put together assortments for you to choose. Personalize your gift for the people on your list by picking your favorites or create the price point you would like to achieve. So if you are in need of a thank you, birthday or Christmas gift, consider sending a delicious package of treats from Bates Nut Farm. Our gift packages range from \$15-\$200. Don't forget to send one to yourself!

Year round, and especially during the holidays, we work with businesses assisting them with their corporate giving. We can add personalized products and marketing materials to your gourmet gifts from Bates Nut Farm to help you promote yourself or your business. Send us your address list, price point, and needs and we can send you out some suggestions for the perfect Bates Gift Package.
